#### Baxter lectures are now in print

The lectures which were delivered by Thurman Arnold, assistant attorney-general of the United States, at the Baxter Memorial lecture series, have been printed in book form by the University of Oklahoma press, Dr. D. E. Heckman announced this week.

These lectures were printed by the University of Oklahoma in co-operation with the University as an experiment in regional publication.

The lectures on "Free Enterprise During the War and After" have been printed in a book entitled "Democracy and Free Enterprise". The price of the book is one dollar and is on sale in Omaha book-

#### Faculty play-hour on Mondays, Fridays

A recreational hour for faculty and administrative employees has been arranged by the women's and men's physical education departments under the direction of Mr. Baller and Miss McLaren.

The auditorium is open to them on Monday and Friday from 5:00 to 6:00. Players may play badminton or table tennis or any other games if they prefer.

Faculty members to take part in the program so far are Dr. E. A. Holt, Dr. Katherine Ragen, Dr. W. A. Weisskopf, and Mr. H. H. Waggoner. Fourteen other faculty members and administrative employees have indicated their willingness to participate.

### Council plans for Ma-ie Day; parade, game, acts, dance are on schedule

#### Committee chairman announce rules, hours

A parade, athletic contests, skits, dance and coronation have been tentatively scheduled by the student council for Ma-ie Day May 8, Bob Spellmeyer, president, announced today.

The parade will leave the school promptly at 9:30 that morning according to Aris DeWald, chairman of the parade committee. All organizations who desire to have a float in the parade should enter their names with the chairman immediately. The parade will form. on the drive east of the University and ONLY floats who assemble there will be permitted to drive in the parade.

#### Welty handles athletics

The parade is scheduled to disband in Elmwood park where athletic contests will take place between classes. Plans for this part of the day's activities are being made by Bob Welty, freshman class

The afternoon program will begin at 2:15 in the auditorium. The first rehearsal for this program will be held Monday evening, April 20 in the auditorium. John Tyrrell is chairman of the committee in charge of this program. Assisting the student council on the committee are Dr. D. E. Heckman, Dr. S. L. Witman, Dr. Katherine Ragen, Dr. L. H. Harris. The first rehearsal of acts and their time of appearance is printed elsewhere in the paper. All acts are asked to have their cast outside the auditorium doors at least TEN minutes before their scheduled time. No organizations will be auditioned who are not on

#### Dance at Peony

Climaxing the day's events will be the coronation of the Ma-ie Day Princess at the dance to be held at Peony Park that evening. Lloyd Hunter and his orchestra will play. Bob Knapp is in charge of arrangements for the dance. Presentation of awards to the winners of the day's contests will be made at the

## Alpha Sigs' formal at Chermot tonight

Alpha Sigma Lambda will present its formal dance at the Chermot ballroom tonight. Gary and his orchestra will furnish music for the dance.

No one will be admitted unless in formal attire. Also no stags or persons who have dropped from organizations and still hold pledge cards will be allowed admittance.

Members of the fraternity will present their dates with corsages alike. Christy Kara is in charge of the dance. Assisting him are Doug Lindsey and Bob Spellmeyer.

#### Extend leave of Coleman

The leave of absence of E. P. Coleman, assistant professor of mathematics, has been extended to September, 1943. Mr. Coleman, who is a First Lieutenant in the 1th Coast Artillery, is at present stationed at the United States Military Academy at West Point, in the department of mathematics.

Other officers are June Rose Anderson, vice-president; Diana Hoogstraat, recording secretary; Dorothy Rice, corresponding secretary; and Shirley Buchanan, publicity

Nine members attended the national convention of Phi Sigma Chi in Lincoln, March 27 and 28, where they were guests of Tassels, University of Nebraska pep organization. Feathers who went to the convention were Etta Soiref, Hazel Slenker, Shirley Buchanan, Marý Heumann, Ellen Jacobus, Betty Secord; Denelda Peterson, Barbara Finlayson and Frances Blanchard.

Barbara Finlayson was elected recording secretary for the national chapter of Phi Sigma Chi at the convention.

#### Increase enrollment in plane instruction class

Enrollment in the May 4th aircraft assembly inspection class will be increased from twenty to forty students, announced Dean C. W. Helmstadter Sunday. Class fees are paid by the government.

The course will continue for fifteen weeks, eight hours per day. It is open to all men and women high school graduates who have had two years or more of mathematics. Application may be made in the

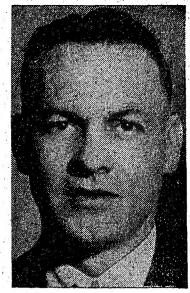

office of the dean of the applied arts college.

The University has also received word authorizing a night produc-tion supervision cost accounting class beginning May 25th and continuing for eight weeks, nine hours per day. Candidates must have at least one year of college engineering or business or the equivalent.

#### Regents send notice of board vacancy

Formal notification of a vacancy among the Board of Regents has been received by the Board of Education, according to Mrs. Mary E. Baird, secretary of the Board of Education. It is customary for the Regents to send such notification.

Selection of a new regent to replace J. L. Haugh who resigned on March 1 is now at the discretion of the Board of Education.

#### Tyrrell leads all 'A' list

John Tyrrell, senior, led the list of students who received all "A" grades last semester, the registrar's office announced today. He received eighteen hours of "A".

Mary Gronewold was second with seventeen hours. Students making sixteen hours of "A" grades were Leroy Canfield, Bruce Moore, Robert Najmón, Naomi Nielsen. Alice Egner and Lucille Warrick received fifteen hours of "A".

### Contracts include war clauses

Omaha is scheduled to play three and possibly four conference football games next fall as a result of action taken at the meeting of the North Central conference held in Minneapolis, April 4 and 5. A full schedule of ten basketball games is outlined for next winter.

Stu Baller, Sed Hartman and L. M. Bradfield attended the meeting. All have trouble

Mr. Baller pointed out that all schools represented at the meeting found themselves in financial straits similar to those bothering the University. As a result, "war clauses" were added to the contracts which provided that in case either team found it impossible to play a game because of insufficient players or funds, the game would be called off with no penalties attached.

Collegian comments The South Dakota Collegian, newspaper of South Dakota State, gives the following report of the proceedings:

After controversy between the students and the administration, it was decided that Omaha request to be dropped from the NC roster. This re-(Continued on page four)

### Will elect student council, princess

The spring election for student council representatives, Board of Student Publications, and the Ma-ie Day Princess will be Wednesday, April 29, according to the student council election committee.

Twelve students consisting of two men and two women from the present freshman, sophomore and junior classes will be elected to serve on the student council for the school year of 1942-1943.

Two students, one man and one woman, will be elected to the Board of Student Publications. These students must be either juniors or seniors next year. Because of the importance of this office, it is desirable that candidates possess some knowledge of publication work.

The Ma-ie Day Princess must be a senior graduating in May and will be elected by the entire student body. Her identity will be dis-closed on Ma-ie Day, May 8.

Nominating petitions for any of these offices may be secured from the Dean of Students' office and must be returned there by April 22. The signatures of fifteen students and a faculty member are required for nomination.

Having recovered from the Gateway picnic—all we'll say is that it was a lovely little brawl—we find out that our ghost-writer—who positively was not there—has the cold we should have had and didn't. Result—this is the product of our own hangover.

This seems to mark a dead end, but the hell of it is we need an interesting beginning. (Style book, page one, line one.) We just thought of one, but if we want to live to see this magnificent issue in print—well, carry on from there and let your imagination do its worst. (As long as it stays in your imagination it's all right.)

Letting the imagination do its worst is one of the best of all indoor sports—for the timid. Having been educated to the point of knowing all about the little birds and bees and flowers, having re-read about 14 times all the good—and you know just what we mean by good—parts of every good book we've eagerly leafed through, and finally, having been on the Gateway staff entirely too long for the good of everyone concerned—something tells us we'd better stop right here.

Then there was the little story we read in one of those good books—but don't go leaping at conclusions. This one is about a young, innocent newspaper - man. He bought into a small-town paper, and announced to the editor that the first thing he was going to do would be to hire someone to come in and clean the papers off the floor. "God damn it, you'll never make a newspaper-man! You blasted young idiot, don't you know them's our files?"

However, up at the Gateway office we're much neater. Our files are in the waste-basket. Of course,

The Beachcomber may become the jive corner of the corn belt. They have extended the King Cole Trio's stand for another week, and seem to be packing in the fans. This is the first time that a legit jump crew has ever put in an appearance in Omaha, and may I mean jump. Nat plays wonderful piano, nearer to Wilson than any other, yet you can't really compare his style. Oscar Moore seldom plays rhythm guitar, all riffs and weird chords. Wes Prince winds up the combo with as much bass as anyone could ask for. Noticed quite a few of the O. U. mob there every night. There's a matinee at 1 on Saturdays that's strictly fine. Earl "Father" Hines is slated for the Chermot next month. One of the better of the black bands, the Earl has many fine soloists and wonderful ensemble work to make the stand enjoyable, to say the least.

Stan Kenton, of the newer jazz orks, will be on matinee at Meadowbrook this Sat. Kenton's band features precision brass work, and a Lunceford sax section. Band has been making a big hit in NYC.

No really sharp discs out for some time. Local stores still have trouble getting Sepias from KC, and the same anemic outfits make all the wax and get all the dough. by Phyll Iverson

"I can't stand piano boogey! I hate baby-talk! Knife-stickers in the backers I detest!" This quoth Katheryn (call me Emmie) Emery when she slid out from between a couple of books in the libe. Gurgling gaily, this blue-eyed, sort of red-haired (hum . . .) damsel professed an affection for chocolate ice-cream—in fact, any ice-cream, so long as it was chocolate flavored. Since this wee patriot was unable to control her thoughts for any longer than one sentence, her next utterance was along wholly new lines. "I liked being this year's "O" Club sweetheart, and I love walking in the rain."

In the opinion of this "all out for America" coed, her ideal date must have a uniform, and should be "a lot older—two years at least." Brunettes, complete with uniform, tall, wearing a uniform, any members of the armed forces seem to be her prerequisites.

This nineteen-year-old who seems to know what she wants, informs us that she is studying to be a dietitian, but doesn't expect to complete her course for a while. "I'm joining the army, in the summer!" she admitted. As she picked us up and put the pieces back together, she qualified her explosive statement by further details. Seems that she is going to be a teletype operator.

Lana Turner is Kay's favorite and ideal woman. "Me and 40 million men! Which reminds us that after Kay closed her book and put away the bones, she muttered something about her interest being men...men...men...not necessarily goodlooking, but just men... See what the average writer is up against?

#### The city primary

presents a number of causes for speculation. It is remarkable that the seven incumbents should have been aligned at the head of the list of winners. It is furthermore remarkable that the next in order should have attained his position by a vote totaling slightly over half of the next highest candidate. This great discrepancy between those who are "in" and those who would like to be "in" is just one of the interesting phenomena of local elections.

But the most remarkable item of the whole situation was the number of voters participating, 25,176, less than one-fourth of the 110 thousand registered voters in the city. This is probably due to any number of reasons. The campaign was not particularly enthusiastic, voting in primaries is seldom high, especially in off-years. Another reason is probably the general disinterest in anything but the war. Our morale may not be so good, but we nevertheless all turn first to the war news.

It is to be hoped that while we are engaged in the grim business of protecting democracy in our front-line trenches we shall not forget that the exercise of the franchise is more than a privilege, more than a right; it is an obligation of which every democratic citizen should and must avail himself.

# Army-bound Catania silences Theta bats

Alpha Sig's jumped to the intramural baseball supremacy in a first round that witnessed the bursting of the Theta bubble. Thetas slipped to third place behind South, which has won two of three games to Theta's lone win in three starts. Hapless North - Benson, which probably lost to the Sigs last night, has yet to win a game.

Frankie Catania, who will report at the Fort Crook induction station April 25, handcuffed Thetas Tuesday, giving no hits in a 3-1 triumph. Twelve men swung at air as Catania's baffling curve ball whizzed by. Hank Moberg, who fanned 11 Alpha Sigs before being replaced by Bob Griffith in the last inning, was the losing chucker. Manager Harold McKenna of the winners laced a double.

Next to halt the Thetas, who seem to have lost the fighting spirit that carried them to the championship last year, was South, which took a 5-4 decision Wednesday in an error-ridden contest. With only six other Thetas on the field, Moberg battled gamely, but couldn't overcome eight Theta misplays. He gave one hit and fanned eight. South's Bob Dymacek whiffed nine and gave only two walks and as many hits.

Bob Haffke opened the last inning by living on the fifth South error. Bob Welty then hit into a double play, Nate Meiches to Haskell Cohen, and Don Ostrand fanned to halt the Theta rally.

Alpha Sigs opened the season Wednesday, April 8, by stopping South, 4-0. It was a pitcher's day as Dymacek retired 12 and gave one hit, a double by his rival hurler, Dick Holland. Holland accounted for all of South's 15 outs via the strikeout route and issued two bin-

dles. Chuck Adams tripled in the fifth with two out for the lone South threat.

Theta batters walloped North-Benson, 13-1, as Griffith and Moberg split a no-hitter. Griffith tripled and Bob Yudelson doubled as Thetas collected eight safeties off Fred Heumann and Bob Paustian.

South assailed Heumann for eleven runs in the first inning to cop a three-stanza affair, 11-1. Dymacek gave no hits and fanned seven. Sixteen South batters went to the plate in the opening frame.

## NAVY ANNOUNCEMENT TO COLLEGE FRESHMEN AND SOPHOMORES 17 119

## You want to serve your country! Why not serve where your college training will do the most good?

Under the Navy's newest plan, you can enlist now and continue in college. If you make a good record, you may qualify within two years to become a Naval Officer—on the sea or in the air.

#### Who may qualify

80,000 men per year will be accepted under this new plan. If you are between the ages of 17 and 19 inclusive and can meet Navy physical standards, you can enlist now as an Apprentice Seaman in the Naval Reserve. You will be in the Navy. But until you have finished two calendar years, you will remain in college, taking regular college courses under your own professors. Your studies will emphasize mathematics, physics and physical training.

After you have successfully completed 1½ calendar years of work, you will be given a written examination prepared by the Navy. This examination is competitive. It is designed to select the best men for training as Naval Officers.

#### • How to become an Officer

If you rank sufficiently high in the examination and can meet the physical standards, you will have your choice of two courses—each leading to an officer's commission:

1. You may volunteer for training as an Aviation Officer. In this case you will be permitted to finish at least the second calendar year of your college work, after which you will be ordered to active duty for training to become an officer-pilot. Approximately 20,000 men a year will be accepted for Naval Aviation.

2. Or you will be selected for training as a Deck or Engineering Officer. In this case you will be allowed to continue your college work until you have received your degree.

After graduation you will be ordered to active duty for training to become a Deck or Engineering Officer. Approximately 15,000 men a year will be accepted.

If you do not qualify for special officer's training, you will be allowed to finish the second calendar year of college, after which you will be ordered to active duty at a Naval Training Station as Apprentice Seaman.

year of your college work, after which you will be ordered to active duty for training at any time may be ordered to active duty to become an officer-pilot. Approximately at once as Apprentice Seamen.

Your pay starts with active duty.

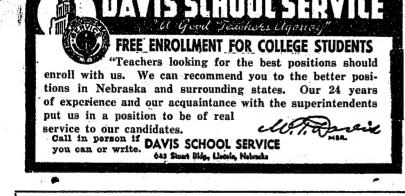

Here's a real opportunity. A chance to enlist in your country's service now without giving up your college training... a chance to prove by that same training that you are qualified to be an officer in the Navy.
